- Agricultural town known as the Cherry Capital of Australia

Key Features and Benefits of the Offer

Features and Benefits

Open-ended Trust – The Trust is an open-ended Trust that targets investment in Australian commercial property predominantly leased to Bunnings Group Limited.

Four key assets – The Trust's four initial assets include three that are wholly leased to Bunnings Group Limited and one leased to Aldi Foods Pty Limited. Funding raised under this offer will be primarily allocated towards paying out exiting investors under the previous Liquidity Review Event however remaining funds may be used to target further acquisitions.

Attractive regular tax-advantaged distributions – Forecast initial yield of 4.25%¹ pa to be paid quarterly with a target 7.00%¹ IRR over the investment term. Depreciation and building allowances allow a high proportion of this income to be tax-advantaged.

Potential for capital growth – Long term population growth for many of the regions augur well for future price appreciation.

MPG Group co-investment – To ensure investor interests are aligned.

Defined exit strategy – The Trust has a defined exit strategy with a Liquidity Review Event at the end of four years (Nov 2028).

Reduced capital volatility – Australian direct property has historically experienced lower volatility than listed Australian and international shares and REITs.

Risks

The risks are typical of those that would apply to investments in real property and in units in property trusts. Key risks are outlined in the Information Memorandum.

Target Investors

Wholesale Investors seeking an investment opportunity in commercial property, who typically are seeking regular tax-advantaged income and who don't have the expertise, opportunity or time to undertake the projects themselves.

What else should I know?

Minimum Investment \$500,000 or \$250,000 for Professional or Sophisticated investors with an approved Accountants Certificate at an application price of \$2.26 per unit.

The Offer is open ended and targets the addition of new properties subject to the investment mandate of the Trust.
